For those of you who are not aware of it - the Heritage Playhouse now has a beautiful **Knabe** grand piano!

Knabe Pianos have a rich history behind them.....

- The Knabe Piano Company was established in 1837 in Baltimore, Maryland.
- General Robert E. Lee was a frequent honoured guest at the Knabe family home.
 - Albert Einstein, who was a devoted music lover, owned a Knabe piano.
- Brigham Young liked the Knabe pianos so much that he had 3 Knabes at his home in Salt Lake City.
 - Francis Scott Key (composer of Star Spangled Banner) owned a Knabe.
- Hans Von Bulow used a Knabe piano for all of his concert recitals in the United States.
- The Knabe piano was the official piano of the Metropolitan Opera house in New York for over 40 years.
