#### **On April 29th, 2010**

Join us to nibble on a coconut prawn and celebrate the 10th Anniversary of the Heritage Playhouse.

The building was originally constructed as the

Women's Institute Hall in the 1920's, and during its lifetime had multiple roles as school gymnasium, assembly hall, community hall

and maintenance building.

Renovation began in the 1990's and the Playhouse as we know it today was opened on April 29th, 2000.
